

VALUES STATEMENT

In pursuit of our mission and values, we act in accordance with these values:

- ***Youth First...***all our decisions are made in the best interests of youth
- ***Trust...***is sacred and essential in all that we do
- ***Respect...***for all
- ***Outcomes...***that are evidenced-based and drive best practices
- ***Integrity...***demonstrate honesty and fairness in all of our programs and services.
- ***Equality...***recognizing that each person has unique and diverse qualities and strengths
- ***Team Work...***we believe that cooperation and team work will enable us to combine our diverse backgrounds, skills and styles to achieve common goals

These values are how we determine the rightness of our actions. It is incumbent upon each of us, individually and as part of any group, to consider them when making decisions that may affect youth.
