

Before an audience of more than 200, Our Piece of the Pie's Acting Out Youth Business performed "Creature for the Teacher" at Hartford Stage on May 10.

This modern-day adaptation of Frankenstein was a collaboration between OPP and Hartford Stage supported by the City of Hartford Arts and Heritage Jobs Grant Program, Eddie Perez, mayor.

The play was written, produced and performed by OPP youth. OPP's Junior Art Makers (JAM), River Wrights Boat Builders and Multi-Media programs produced sets, costumes and lighting for the show.
