

## **OPP and CIGNA Celebrate United Way's Day of Caring!**

On Friday, September 11, three volunteers from CIGNA participated in a panel discussion with students from OPP's OPPportunity High School. Students were able to ask CIGNA employees about their careers, how they got to where they are, and their educational background. Volunteers also asked students about their hopes and dreams for the future. Volunteers joined thousands across the state as part of the United Way's Day of Caring. During the Day of Caring, employees from the corporate world lend their support to hundreds of community organizations in the state.
