

**Can't find a service you need?  
Not sure what to do?  
Need help in the middle of the night?**

You can ALWAYS call 2-1-1, a free, confidential, call that will connect you to a specialized agent that will help you find the best resources near you.

The screenshot shows the top section of the 2-1-1 website. On the left is the United Way AIRS 2-1-1 logo with the tagline "Get Connected. Get Answers." In the center, the text reads "2-1-1 Information & Referral Search". On the right are the AIRS and United Way logos, along with a statistic: "1,980,291 site visits". Below the header, the date "Friday – September 24, 2010" is on the left, and "Home" and "Contact Us" links are on the right. A central text block states: "2-1-1 provides free and confidential information and referral. Call 2-1-1 for help with food, housing, employment, health care, counseling and more. Learn more about your local 2-1-1 by looking it up here." Below this is a search form with three input fields: "Type in ZIP Code", "OR city", and "OR {Any State}" with a dropdown arrow. A "GO" button with a right arrow is next to the fields. Below the fields, it says "(ZIP Code and city are optional, but give better search results.)". To the right of the "GO" button are "Reset" and "Search hints" links. At the bottom, it says "Learn more about 2-1-1 by visiting [www.211us.org](http://www.211us.org)".
