#### 9. Social Support

- a. Student organizations: Student organizations can provide outlets for social networking and support, connecting with students that have similar life experiences, interests and majors, getting help with an academic issue (such as asking a member of a math club to tutor you) and connections to community and campus events including dances, parties and concerts. Being an active member of a student organization also opens up employment, scholarship and further academic opportunities. Take advantage of this awesome resource! Click the link below to browse organizations.
