

## I AM INTELLIGENT BEAUTY

◆ By: Diamond Tyson ◆

I am intelligent beauty.  
I wonder what the definition of "diversity" is because I dare to be different.  
I hear the sound of opportunity calling, so I am going to answer.  
I see my future in all my dreams telling me I can do it, so I listen.  
I want to be all that I can be and more than what I see, so I am blind.

I am intelligent beauty.  
I pretend I do not hear you but it is not because I don't care.  
I touch the things I can afford and look at the things I am going to have.  
I worry about the future and forget about the past.  
I cry because they are not here to see what I am going to become.

I am intelligent beauty  
I understand why your mad, but trust me looks are deceiving.  
I say what I want to do but think before I do it.  
I dream that black will have a new definition after me.  
I try to reach my goal in any and everything I do  
I hope many will learn success is not behind the look but what is inside.
